I ordered the vegetarian/vegan ramen and, though the only veg ramen option, it was delicious! A generous portion with large pieces of tofu. The staff was friendly, there's a wife, and other than the food, the best part was the pug that was hanging around (who I assume belongs to the owner Highly recommend! [read more](#). When the weather conditions is nice you can also eat and drink outside. What [User](#) doesn't like about Oreno Ramen: I ate the tsukemen (cold noodles). They tasted good, but the noodles stayed together so it was not so easy to eat them. You dip them into the sauce with which they come (yuzu flavored). The sauce is a bit too intense for my taste, so I never dipped all the noodles. The cucumbers are good, but sharp. The only negative is the texture they were a bit muddy. The chopsticks are really bad quality be careful! [read more](#). In the Oreno Ramen from Wien, a lot of freshly harvested vegetables, fish, and meat are used to prepare healthy, fine Japanese dishes, there are also delectable vegetarian menus on the menu. The Asian fusion cuisine is also an important part of Oreno Ramen. Anyone who finds the everyday and generally known menus too boring can here approach with a willingness to experiment and try some exciting combination of ingredients eat, On the menu there are also several **Asian meals**.
