In a charming hotel in Toowoomba, guests enjoy spacious and well-appointed rooms that offer great value and comfort. However, the dining experience has drawn mixed reviews; while the restaurant boasts an elegant ambiance and a commendable menu, issues with outdated offerings and food quality have prompted concerns. Service inconsistencies, including rude staff interactions and a troublesome room service experience, detract from the overall stay. Despite dining frustrations, many guests commend the hotel's cleanliness, location, and friendly staff, indicating potential for a pleasant visit—albeit with a recommendation to explore outside dining options.
