while there are not many vegan options, they are delicious. I think I think at least once a week for the peanut tofu. I have eaten so much there that they occasionally surprise me with other vegan foods. there are additional options for [vegetarian](#), but I can't comment. I hope they will continue to expand their menu and add additional options. [read more](#). In the kitchen of The Blind Goat in Houston, traditional courses are prepared with original Asian spices delicious, Furthermore, the customers love the successful combination of different menus with new and partially experimental products - a nice example of successful **Asian Fusion**. It's precisely the freshness and lightness paired with the typical spices that not only brings fine meals to the table, but also puts the visitors into a pleasant holiday feeling for a short time, there are also delicious vegetarian meals on the menu.
