3.5 I loved loading the mocha from this. the bitterness of the coffee and the sufficient creamy chocolate is so well balanced. the original pavlova is good, but the matcha needs a certain improvement of the taste. When the weather is nice you can also eat and drink outside. If you crave for sweets, Matcha By Chokolait with its fine desserts can easily make an end of it, Furthermore, you can get sweet treats, cake, simple snacks and chilled refreshments and hot drinks here. In this locale there is also an comprehensive selection of **coffee and tea specialties** not to forget.
