What User likes about Nataraj Suginamiku:

a local favorite of us with many delicious vegan options, including the nan! the nataraj special, baigan bhurta and saag palak belong to our favorites. Other Tokya locations: shibuya, ginza and minami aoyama. <a href="read more">read more</a>. What <a href="Roban M.">Roban M.</a> doesn't like about Nataraj Suginamiku:

Really not as good as the other branches. I went for the buffet, and I know a buffet anywhere won't be as good as ordering from the menu, but it was just not up to the quality of the other branches. There were four curries, all were watery, three were flavourless and the other was basically sugary tomato ketchup. None of them had any substantial main ingredients other than cabbage. <a href="read more">read more</a>. The extensive selection of coffee and tea specialties greatly enhances the value of a visit to Nataraj Suginamiku, Meals are also prepared here, tastily and freshly with typical *Indian spices*. You can also look forward to delicious vegetarian cuisine.
