What [User](#) doesn't like about Megumi:

In this **gastropub**, you not only get delicious meals from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food. At the bar, you can unwind with a *cool beer* or other alcoholic and non-alcoholic drinks. Megumi focuses on a lot of fresh vegetables, fish and meat in its healthy Japanese cuisine. You shouldn't miss the opportunity to try the flavorful [pizza](#), baked straight out of the oven in an original manner.
