What [User](#) likes about McDonald's: my impression: I was too many mcdonald's in Australia and all over the world, and this one I would say is one of the better. eating seems to be very fresh (for what I think is mistfood). the service is hit and miss, but that's ok. if they are in quick eating especially mcdonald's, they should try this place and compare them the quality. personally, I'm not eating this anymore. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather, And into the accessible spaces also come clientele with wheelchairs or physiological disabilities. WLAN is available without additional charges. What [User](#) doesn't like about McDonald's: This is one of the worst MacDonal'd's ever When I ordered a hamburger with bacon and lettuce I got a cheeseburger with nothing I ordered. Terrible food they just slap them together while talking to a co-worker and not looking what they're doing it's just the worst [read more](#).
