I've been going to this restaurant for years and it was always a great meal, but today it was a sensational meal! we had the black pfeffer and honey beef and a crispy chicken dish with a light chili soy sauce that was fantastically matched with roasted rice the meal was complete. the restaurant is not modern and is quite tired, but their meals are the best in the west. read more. The premises on site are wheelchair accessible and can also be used with a wheelchair or physiological limitations. What User doesn't like about Macau:
not worth the ride. the food was tasteless and the only sweet was wobbly. I didn't ask for a sneak in a court that didn't make a nice one. not really sure how they cooked the fried rice, but even that was revolting. don't waste your time and your money! read more. The Macau originating from Saint Clair provides various fine seafood meals, Many guests are especially looking forward to the experience of *versatile, fine Chinese cuisine.*
