Eating is delicious, but if you can only do it for the meatballs you can get them for less the snack bar. They had their chocolate cake for .49 one piece if you are an IKEA family member and a side salad is just 1.49 in the café. [read more](#). What [User](#) doesn't like about Ikea:

The meatballs and [pizza](#) from their bistro gave my family a stomach virus. Only two people who ate their food started vomiting and had a diarrhea the next day and the other three who didn't were completely fine. The only difference in our diet was the Ikea food.
