For a 140k pepper steak, the steak I got didn't meet the expectation. The meat is rubbery and tasted nothing like the Pepper Lunch in Surabaya. I should've gone to the ramen restaurant beside this place instead : The staffs are great, tho. Conclusions: 1) This branch need quality control. 2) Will not come back. [read more](#). The comprehensive selection of coffee and tea specialties makes a visit to Starbucks Coffee Solo Paragon Mall even more worthwhile.
