We might have **the meal plan of Taste Of Asia** from Canberra in the gallery. A menu can be found further down. Are you currently at Taste Of Asia or planning a visit? Help us by **making available the menu here**. What [User](#) likes about Taste Of Asia:

Best place in ACT for authentic Indian cuisine. We had ordered vegetarian food and were delighted with the taste, the ambience and the service. Normally in Indian restaurants, all dishes taste similar but Flavours of India presented the dishes in their authentic tastes. The owners are quite approachable and down to earth. The staff is also well-trained. Would come back again. Wish you all the best! [read more](#).
