What Anju Jotwani doesn't like about Masala Kitchen (seafood Specialist):

Most Overrated!! Gave burnt fishes. Half of the dishes in the menu aren't available. Only two waiters in the hotel to service all. Had to wait 15 mins..asking for bill and again collecting the payment. To sum up..i would say ..Infact small street side konkan food restaurants are much better than these Fake rated ones ..including mastan. Service: Dine in read more.
