Serves good food, however I've had better to be frank. The ambience is good and so is service, the only exception was that the stuff is rushed to refill your plates without even checking if/what you need maybe that is their way of hospitality. Tried mutton and chicken Thalís and they were good but somehow did not have a wow feel. Also, I felt they were a little overpriced. [read more](#). You can at Dehaati from Kadamwadi road enjoy delicious [vegetarian](#) meals, in which no animal meat or fish was brought into play, on the daily specials there are also a lot of [Asian dishes](#). The **Asian fusion cuisine** is also an important part of Dehaati. Anyone who finds the everyday and generally known dishes too ordinary should approach with a willingness to experiment and try some unexpected combination of ingredients consume, One also prepares menus deliciously and freshly with typical Indian spices.
