What [User](#) likes about Pumin:

We love Pumin! We often eat in and the staff are always friendly and the food is delicious and served really quickly. Delivery orders are also prompt and always arrive hot. A personal favourite is the BBQ lamb cutlets and my partner really likes the salmon dishes and the whole fish. We have taken our family here when they have visited and they often ask to go back when they come because they really enjoy the food. [read more](#). In pleasant weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Pumin:

Ordered green curry what came was yellow with main flavour of sugar. Too sweet. Was missing the nice Thai curry flavour it should have had. Fried noodle dish was also sweet. Lacking any bbq flavour. Fish cakes were chewy with little flavour. Prices are not cheap. Unfortunately the standard of food does not meet up with the price. [read more](#).
