What [User](#) likes about Bag Of Beans:

First time to try this branch. The place is good with a view of Taal but compared to other scenic spot its vantage point is not the best. The food especially the adobo and bangus breakfast is above average but not the best in my opinion. The staff are courteous but not that lively maybe because it is still early in the morning. Nonetheless a must try breakfast. [read more](#). What [User](#) doesn't like about Bag Of Beans:

location is really nice along the national road. menu in a mix of western but mostly Filipino meals. I had to ask for my meal and let the kitchen remove the garnels the grilled vegetables and pasta on garlic and olive oil. coffee and brot are the safest choice. snacks to have, but vegans should not expect to have full meal here.
