What [User](#) likes about Red Smoke Bendigo:

For the first time in over a year, this restaurant is not disappointed! The food was delicious, the staff was hospitable and the restaurant was quiet and clean. While it came a bit with traffic, it wasn't going to put a steamer on a romantic dinner with my partner and at the end the check was reasonably expensive. 10/10 goes back (become to try the burgers next time) [read more](#). The eatery offers a bit of this and a bit of that with its popular *Tapas*, the restaurant serves however also menus typical for Europe. In addition, they proffer you tasty seafood menus, **delectable vegetarian dishes** are also on the menu available.
