What [User](#) doesn't like about Macelleria Moonee Ponds The Butcher That Cooks For You:

Got two salads, a chicken and a lamb one and both had the tiniest amount of meat. Think a full bowl of leaves and about a thin 4 cm square of meat in the middle. The variety in the salad was minimal, one quarter of a cherry tomato, one sad single olive and a bunch of leaves. The meat was so dry I could of choked. Never again, do not recommend.
