On Fridays, my group goes bar hopping. We happened to come across this bar at the fort strip around 12am and thought we'd give it a shot since Pablo's across the street is packed. Overall a great place to chill with friends.

The DJ played 90s-current music for the crowd. Great drinks and good food. Check it out when you're at the strip. [read more](#). A pretty decent place to grab a drink and chill with friends, Keg is a nice spot to hangout with. Food is just okay, nothing too fancy shmancy. When we got there we ordered pizzas, and it went well with our beer but that kind of stops there. The music selection is mighty fine, and the interiors are comfortable. Servers were nice and polite, although the serving of food can still be a bit faster. [read more](#).
