The place for a quick treat. I confess myself a frequent patron of this outlet. Selling many different types of delicious-looking) cupcakes though it does, I can't seem to stop myself from ordering the same one every time! The Red Velvet cupcake with cream cheese frosting (\$4) is just a perfect mix of thick and rich red velvet cake, and the cream cheese frosting compliments the cake beautifully. I will return again- a... [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities.

What [Milan Gutkowski](#) doesn't like about The Cupcake Bakery:

For some reason I was in love with The Cupcake Bakery a few years ago. There was one close to where I worked at the time so I suppose easy access had something to do with it too. They're not bad but the cupcakes are very very sweet. Pretty much just a pile of sugar on top. My fail safe options would be vanilla choc or vanilla vanilla if getting for myself, or one of the deluxe cupcakes such as rocky road if getting f... [read more](#).
