So proud of you both Jason and Alana the cafe looks absolutely amazing !! Congratulations, your hard work has been well worth the wait... The food is delicious , coffee exceptional and desserts just to die for.XX [read more](#). The restaurant also offers the possibility to sit outside and be served in pleasant weather, And into the accessible spaces also come clientele with wheelchairs or physical disabilities. What [Bria Lesch](#) doesn't like about AJ's cafe:

this place, the customer is not right. So if they have a bad experience, or they give polite feedback to their experience, they are met with arrogance and a defensive response from employees and management. so disappointing, local and regular for many years..a...easy coffee appointment has left a bad taste in our mouth! not the baristas, only the service. by then, thank you. but no thanks [read more](#). If you crave for desserts, AJ's cafe with its delicious desserts can surely make an end of it, Additionally, they offer you authentic Australian meals with ingredients like bush tomatoes and finger limes. Most often, the burgers of this place, which are among the highlights, are offered along with sides like fries, salads or wedges, for breakfast they serve a *varied breakfast* here.
