If you want good value [Mexican](#) in a friendly environment, this is the place to go. As a bonus, there is a little know business that you must enter via this store - with arcane collectibles and game playing going on in the cellar out the back. Wander in with your taco and check it out. [read more](#). When the weather conditions is nice you can also be served outside. What [User](#) doesn't like about Taco Boy:

Thanks to places such as Gomez & Guzman, my expectations for a high quality burrito are just that; HIGH. For \$10 I expect something that I can at least be happy to eat, but no that wasn't the case. It was really really average, with a few bits of cos lettuce and no decent sauces or dressing. Very very average have never returned. [read more](#). At Taco Boy in [Nambour](#), **tasty, juicy, delicious meat is freshly roasted** on an open flame and served with fine sides, You can also look forward to the typical fine French cuisine. The pleasure of various sports events is also a big draw, when you are in this *sports bar*, delectable [vegetarian](#) dishes are also in the menu available.
