Amazing Winery and brewery, definitely worth stopping for. Free wine tasting, great food and even better service and hospitality. Very friendly staff and beautiful location. [View all feedback](#). What [User](#) doesn't like about

Morrison's Winery And:

I still dream of the pork I had last year here. the wine tasting was knowledgeable, while the restaurant service was exemplary with great love to detail and only the little extra (like the own recommended way to serve their apple wines) to take it to the top. [View all feedback](#).
