What [Tourist10233782162](#) likes about Temple City: Menu was a long one. But due to heat, I opted for curd rice and lassi with salt. I have had curd rice in many hotels but along with the curd rice, the side dishes given were really outstanding. The bearers were really very pleasant and approachable. I suggest all travellers to step in to this family restaurant if you touch Madurai. [View all feedback](#). What [User](#) doesn't like about Temple City: no side dishes were provided with appam. ideally don't we get kadlecurry with it? appam was thick like an uttampam! tomato soup was sweet! disappointed with the food!
