great tasting. always consistent quality eating with good service. I've been regular for many years and still come back after moving to northside. best thai in bris! [View all feedback](#). What [User](#) doesn't like about Thai Origin: ordered online about eating now, it came on time. I was disappointed by the entreen (prawn curry puffs), not enough filling. green curry chili mammals were good. cocos rice was boiled. we would probably try again as it showed potential.
