Conveniently located above the central MTR station. Comfortable restaurant. The food is delicious. The wagyu cattle steak was cooked directly on the medium. Large selection of desserts. [View all feedback](#). What [Šakota Zagorčić](#) doesn't like about Sevva:

when viewing the menu, there is no indication that the balance is facing vegetarianism towards the consumption of dead animals. the absolute deal breaker for me is however that fois gras is listed on the menu. I would humbly ask why this device is listed on this website. especially in hk where the number of Vego foods is more than 100.
