we were so happy to find a guaranteed vegan smoker in tokiyo as I gaged for it! there are a few options, from regular to sharp, both with gf options. the price is ok (1200-1700) the torment was so delicious with a great deep of taste. we were served quickly, even though they were busy the employees were so friendly, even gave us recommendations that the chef in sydney cbd (ippudo) trains I recommend this place [View all feedback](#). that was the first ram bowl I had during my recent visit to tokiyo. It was just okay. the brown rice noodles were good, but it needed more sweet and a deeper taste in the broth. [View all feedback](#).
