had such a good night with the band playing this pub has the best atmosphere from every pub for miles, it is so refreshing, the personal smile and really enjoy them themselves and what they do it shows this pub is now in good hands, the buffet was so good, the kartoffelsalat! to die. Welcome back neath hotel [View all feedback](#). What

[User](#) doesn't like about Neath:

a great experience and the owner is very rude from no ground and not disturbing to get a plate, not the price worth at all, unless they pay 20 a head for bri cheese and full baby gurke on a teller like the dogs breakfast. I would also not recommend bringing family or children there. [View all feedback](#).
