What [User](#) likes about Barefoot:

I always remember Barefoot from my trip seven years ago, the pulsating shop is nice to walk around. It is a little price in the shop, but items are high quality. I stopped in the café on the way out, used their free Wi-Fi to have an afternoon coffee and cake and not disappointed. The smooth jazz plate in the background is perfect to complement the relaxing oasis of tranquility. [View all feedback](#). What [Michael D](#) doesn't like about Barefoot: First visit. Slow service by uninterested staff, average coffee, totally uninspiring menu. Decided not to choose food, then noticed no one else was eating either. Nice cool spot in Central Colombo but tables and chairs don't match and it all looks a bit tacky! [View all feedback](#).
