The people themselves spread the word if the product is good. So is the case with Ginger Garlic. A regular looking restaurant with well cooked delicious food; Biryani being my favorite. [View all feedback](#). What [Kathinka Marons](#) doesn't like about Ginger & Garlic Restaurant:

The owners here don't care, neither about their business nor about their customers!!! The lady (probably the owner) doesn't know the rate for her 'Non veg thali' !!! Only plus point was that the service was quick. [View all feedback](#).
