Met here for brunch today with two other friends. We all opted for the Chicken and egg Pho, very hearty and filling with lots of chicken meat and eggs and delicious broth. As usual the place was super crowded and the service a little rushed...but friendly. No split bills. [View all feedback](#). What [Adolphus Bradtke](#) doesn't like about

Pho Ann:

I had chicken pho there once and never came back since:-)The chicken I had was not freshed, it smelt and tasted like it has been sitting in the fridge a few days or they didn't clean it well.It was my first and last time there.
