Black Star Pastry is famous for the strawberry watermelon cake. Over the years, other cakes are developed and they taste very nice too. Nevertheless, a tiny slice of cake can cost somewhere from \$9. Still worth a try. [View all feedback](#). What [Lauryn Witting](#) doesn't like about Black Star Pastry:

Chicken sandwich is drowned in Mayonnaise! The ratio of Mayo to chicken is like one for one! Must really be changed to make it edible! Price in the amount of 10 dollars for its size. [View all feedback](#).
