What [BRENDA](#) likes about The Bab: One of my favourite restaurants to eat at, especially later at night! Their food is always delicious (especially the fried chicken!! and their customer service is especially great. [View all feedback](#). What [Boris Hirthe](#) doesn't like about The Bab:

Went to this restaurant for lunch on Wednesday. The place was completely empty at the time. Service was good and food arrived quickly. We ordered bibimbabs and they were both really good. Generous portion sizes and good quality side dishes. The place is slightly more affordable than other Korean restaurants in the area. They do offer lunch specials but they didn't seem that exciting in my opinion. I haven't tried the... [View all feedback](#).
