Here you can find the [menu of Satellite](#) in Newtown. At the moment, there are **19** meals and drinks on the food list. You can inquire about *seasonal or weekly deals* via phone. What [Liliana Koepf](#) likes about Satellite: Satellite cafe has been around for many years and has passed through different managerial hands. The mood is laid back and friendly, so if you're rushed or stressed about eating and then getting to wherever you need to be, this may not be the place. If you're coming for breakfast or lunch and can spend the time to soak up the feeling of the place, you won't be disappointed. Plus, you may even make some new friends. G... [View all feedback](#). What

[Camron Wiza](#) doesn't like about Satellite:

the Australian consumer is caught to clean up a public HOLIDAY SURCHARGE when you need it for you. otherwise large food in a kind garage band location, but the experience was really mad by the person at the cash insisted that the department for fair trading made them calculate a 15% surcharge, which is completely red (I work in this area), and see that this was not mentioned on the menus or on a chalkboard of the the...
