Probably one of the best ones we have been to. Very clean restaurant, very friendly staff and probably the best burger I have had at Grill'd and we have eaten at quite a few Grill'ds around Victoria. The burger was so delicious and I'm a huge fan of their chips and dipping sauces. [View all feedback](#). What [Mindy L](#) doesn't like about Grill'd - Geelong West:

We had a group of 15 and all placed orders separately. I ordered the salad and zucchini chips. The chips were cold and came out late after they forgot our meal and the salad was undressed with old bits of lettuce. We were not offered any sort of fix or apology. [View all feedback](#).
