OMG if my friend didn't take me to this restaurant I probably would never find this awesome place. The restaurant looks very ordinary but the foods are actually so good. Very awesome Chinese food, very spicy and traditional flavour! Even better than those Sichuan restaurants in Sunnybank. I definitely will come back in the future. [View all feedback](#). What [Nash Leuschke](#) doesn't like about You's Noodle Place:

Iv eaten here a few times and it's really hit and miss. I find when its quiet the food is great but when its busy orders get confused and the food can be bland. On the plus side the staff are lovely, prices are good and as long as it is not too busy the food is really quick. I appreciate that they always let you know if it will be longer than 15 minute wait time. [View all feedback](#).
