I really like this place. Waitresses are friendly, and everyone at my table always enjoys the food. I get the vege delight [sushi](#) rolls, and it is presentation like no other. It's almost a dessapointment to eat it because of how good it looks. But once I do, they are always gone too quickly. Thanks Yami! [View all feedback](#). What [Neha Witting](#) doesn't like about Yami Japanese Restaurant:

eating here is pretty good. quality. the taste was good, but probably not justifying its above mentioned market price. if they mazri in underwood and kokoro in sunny b with similar standard food for probably less price [View all feedback](#).
