I Love this place. the sashimi and chicken karage are the best. Very fresh and value for money - i wish they were in Sydney but i look forward to coming here when i'm in Brisbane. Consistently good food. [View all feedback](#).

What [Idella Torp](#) doesn't like about Little Paradise:

Closed early!. Went to Little Paradise at around 9.45pm on a Friday night but they had closed early however online they state that their closing time is 10.30pm. They either need to update their opening hours online or simply stick to the opening hours as advertised! Kinda annoying when you make your way out to get there just to see everything all packed up and lights off. [View all feedback](#).
