Came here with a friend, best chicken laksa I've had. My friend ordered a [vegetarian](#) dish she pushed herself to finish it she like it so much. Will definitely come back again. [View all feedback](#). What [Stephanie Kautzer](#) doesn't like about Dumplings R Us:

Overall the dumplings are fine as well as certain other side dishes. Try and stick to the mains as the hot and sour soup were downright sickening. The teas are nice, but get bitter if left for a while. Great for someone like a university student or worker seeking a easy meal. [View all feedback](#).
