What [TreshHungry](#) likes about Chocolatree: Took away a White chocolate macadamia cheesecake. It was not bad. Rather dense, though, and not as creamy as I had hoped. I suspect it may not have been that fresh. Nonetheless it was still tasty and would no doubt satisfy a sweet tooth. [View all feedback](#). What [دنى الداود](#) doesn't like about Chocolatree: Recently visited and thought it was very ordinary, and overly priced. Fondues cost \$40, and were very average. Service was poor, 4 fondues were ordered and they all came out separately, in fact some guests had completely finished their's before the others arrived. There are so many amazing dessert bars scattered around Adelaide, unfortunately this isn't one of them. [View all feedback](#).
