I come here all the time and the food is always great. Staff are super nice and, the few times they've made a mistake with our order they're happy to remake the food, often giving us the wrong order as a freebie. The teriyaki chicken bimimbab is incredible and always so fresh. [View all feedback](#). What [Alfreda Bailey](#) doesn't like about Brown Rice Sushi-Northbridge:

The food is great here but if you dont arrive early for your evening you may be given sub standard food /cold or a different plate. The sign says open till 10pm but invariably it closes at 8pm, especially if there isnt anyone in the restaurant. I dont know how a restaurant can survive like this...as they do this most nights!!!
