One of Queensland's top restaurants, it has both a wonderful river aspect and impressive quality food. A great way to start Noosa Alive's [Seafood](#) Seduction, the local cobia both artistic and wonderful quality [View all feedback](#). What [Thibaut Ramos](#) doesn't like about Wasabi Restaurant & Bar:

I agree with other reviewers stating their underwhelment. We've dined at 3 chef hat restaurants (though not reviewed here) and I feel Wasabi's food was bland and not worth the money, instead expensive and no 3 hats yet rated best Japanese restaurant in Australia?? Somewhat pretentious and totally not as good as I had hoped. Kiyomi at the Gold Coast casino is tonnes better. [View all feedback](#).
