What [Subarna](#) likes about Aminia: Once I visited here. Their ambience is good but in summer there is no AC, the air from fan is also not sufficient. Quality and quantity of food is great. I ordered roomali Rooti and Mutton chaap. Those were just awesome. Chaap was brilliant, quantity of spices and oil was balanced. If you tell to give remark for food, that will be 5/5. I also want to go there again and again. [View all feedback](#).
