What a beautiful restaurant in Melbourne. It is a chic and fine restaurant. The meat was the best I ever eat. The view of the restaurant at the promenade was outstanding [View all feedback](#). What [Malvoleo](#) doesn't like about Rockpool Bar & Grill:

This restaurant was overpriced when the mains were \$20 cheaper. Came back hoping for an improvement but should not have bothered. The ambience is good but the food is nothing special and for the prices, you would want it to be. There are many places to eat in Melbourne that provide a much better experience.
