[User](#) doesn't like about Little Albany Cafe:

My friend and I were in search of a late lunch but wanted to steer clear of the usual fast-food suspects. Little Albany Cafe looked like a good alternative. The service was great unfortunately the food was only mediocre. My friend and I shared a steak burger and cheese fries. The steak was chewy and the cheese fries were scant and not very cheesy. Don't that I will hurry back any time soon. [View all feedback](#).
