We had a great meal on a recent visit. It was the thoughtfulness that was most outstanding. When we ordered, we explained we were sharing a main meal. The meal arrived already divided on two plates, looking fabulous.

I never write bad reviews, but I feel I have to warn people - I'm a local and I'm quite often coming here... All the others are good except the little guy on the coffee machine... he's not always here, but if you see him, go on! Ridiculously slow... even if no one is different and my chai literally tasted like soap today. I threw it away after three sips. I'm going to Healthfood Square next door. [View all feedback](#).
