Another great lunch stop - we enjoyed two different delicious soups with GF bread & butter, then excellent strong coffee with a shared fresh scone with jam & cream - all for \$40 total. And, yes, our precious pet's picture was up on the wall! [View all feedback](#). What [User](#) doesn't like about Meridian Cafe:

Almond salad with cheap gray almond milk. No. This is a shame as I generally bought Fish Rivers roast coffee elsewhere. Meal was terrible. A barely reheated lumpy rice blob curry. I couldn't eat it. It's horrible. Partners who eat everything could not. Other semi-burgers looked gray like a frozen supermarket. Very inconspicuous waste of money. I went out and left most of it. And I never make reviews!! [View all feedback](#).
