We have had a vegetarian [pizza](#) with salad box the last three Saturday's and we are fairly good eaters but the generous proportions, especially the roasted vegetables on the [pizza](#), fill us up. Quality, service and size of serves of their wood fired pizzas are first class. Open to the public as well as residents on Friday and Saturday nights. [View all feedback](#). What [User](#) doesn't like about PK's Cafe & Bar:

We got two pizzas to take back to our room for dinner, one was OK, the other was under cooked, the cheese had only just melted , I needed to finish the cooking under the grill in the apartment. I would try somewhere else next time, it was convenient to get pizzas here, but they were not great. [View all feedback](#).
