We love Big Chiefs for quick and affordable dinner nights, it's local, the staff are always Nice and working hard. The burgers taste just as good every time! Your whole meal is cooked as you order it so chips are crispy fresh and burger is hot aswell with fresh salad [View all feedback](#). What [Rosalia Simonis](#) doesn't like about Big Chief Burgers:

Well they look cheap, starting at \$4.50, but I don't know if my \$6.90 burger was actually decent value. The beef patty was very thin, very thoroughly cooked and extremely dry it seemed to have started out as very low grade beef. Add some plastic...cheese, undercooked bacon and a good helping of good salad (almost gave a point for that) and this is at the lower end of milk bar burgers. [View all feedback](#).
