What [User](#) likes about Burger & Salad Haus: This is a good place for breakfast, lunch or just a mid morning snack with coffee or a fresh fruit smoothie. The staff were friendly and helpful, the food was of a reasonable price. They seemed to close early in the afternoon which was a drawback though as they were closed when we visited on our second day (after our first visit). The food comes in good portions as well which is always good. Recommended - Enjoy [View all feedback](#). What [User](#) doesn't like about Burger & Salad Haus: I was staying at the Olympic park for a couple of weeks. I visited this place a few times for breakfast whilst there and it was fine every time. It's not going to blow your mind but the food is acceptable and the service is friendly and quick. Not the cheapest option but a good selection. [View all feedback](#).
