Stayed here while going to a show at ICC at Darling Harbour. About a 20min walk or can catch the tram only 5 min away. Hotel is going thru renovations which wasnt a problem. Clean and reasonable price to stay for one night in city. A little outdated but that doesnt worry us. No complaints and would stay here again for a one night stay close to transport and amenities. Breakfast was also reasonable and nice. View all feedback. What User doesn't like about Great Southern Hotel:
Walking distance to the main Central train station. Lots of food places around. The rooms are being renovated (floor 1 at least) so is not suitable for those that want "spotless". Quiet sleep with double glazed windows. Breakfast area for those that want to pay. Only cheap suggestion to management that I heard from a few visitors was please supply a free bottle of water in the room. View all feedback.
